

Welcome to Heartbeats

Please read the following information. In order to receive services, your signature is required at the bottom of this page.

- * Heartbeats is a non-profit, Christian medical clinic staffed primarily by trained volunteers and licensed medical professionals.
- * All services are provided free of charge and are kept confidential to the full extent allowable by law.
- * Please allow at least one hour for your appointment.
- * We are not a licensed or professional counseling facility.
- * You may be shown an appropriate video as a portion of the information presented to you.
- * The urine pregnancy test is 97-99% accurate; however a physician must confirm the results of your test. Whether the test is positive or negative, you should follow up with a licensed physician.
- * Heartbeats is concerned about the needs of both men and women. We have male consultants to work with men on fathering skills, employment, relationships, etc. If you or the man in your life is interested, please let your consultant know.
- * For the privacy of our patients, our clinic and its agents do not consent to any recording on the premises. Any violation of this policy may result in prosecution.
- * Our Clinic does not benefit financially from your decision regarding your pregnancy. All our services are free. We do not perform or refer for abortion, but we do provide information and services so that you are equipped to make an informed choice about your pregnancy.
- * I have been provided the opportunity to review the Clinic's Privacy Notice.

Our Commitment of Care and Competence

Medical services are provided in accordance with all applicable laws, and in accordance with pertinent medical standards, under the supervision and direction of a licensed physician.

Patients are served without regard to age, race, income, nationality, religious affiliation, disability or other arbitrary circumstances.

Patients are treated with kindness, compassion and in a caring manner.

Patients always receive honest and open answers.

Patient pregnancy tests are distributed and administered in accordance with all applicable laws.

Patient information is held in strict and absolute confidence. Releases and permissions are obtained appropriately. Patient information is only disclosed as required by law and when necessary to protect the patient or others against imminent harm.

Patients receive accurate information about pregnancy, fetal development, lifestyle issues, and related concerns.

All of our advertising and communications are truthful and honest and accurately describe the services we offer.

We provide a safe environment by screening all volunteers and staff interacting with patients.

We are governed by a board of directors and operate in accordance with our articles of incorporation, by-laws, and stated purpose and mission.

We comply with applicable legal and regulatory requirements regarding employment, fundraising, financial management, taxation, and public disclosure, including the filing of all applicable government reports in a timely manner.

All of our staff, board members and volunteers receive proper training to uphold these standards.
